**AMENDMENT**

 Honorable Commissioner of Patents  
and Trademarks  
Washington, DC 20231

October 17, 1995

Sir:

In response to the Examiner's Office Action dated September 18, 1995, the following amendments and remarks are respectfully submitted in connection with the above-identified application.

**IN THE CLAIMS:**

Please add the following new claims to the application.

--13. A method for treating cancer in a human, which comprises administering to said human an anti-cancer effective amount of gossypol, an anti-cancer effective metabolite thereof, or a physiologically acceptable salt thereof, and a pharmaceutically acceptable carrier.--

--14. The method of claim 13, wherein said cancer is adrenal, ovarian, thyroid, testicular, pituitary, prostate or breast cancer.--
